I am unaware that we agreed to accept service. A lawyer is in the process of being retained who will reach out to you to discuss accepting service of process.

Hi Mr. Freedman,

Checking back on this.

Has your office withdrawn its representation that it would accept service on behalf of Mr. Wallace?

Please advise.

Thanks and take care,
Laura

Mr. Freedman,

I was surprised by your email because your associate, Tamar (copied on this email), is the person who reached out to the process server and indicated that your firm would accept service of process. We confirmed this again with the process server yesterday. The process server indicated that Tamar claims to have sent an email to me confirming this information; but, to date, no such email has been received. Further, my associate Reid Pillifant (copied on this email) reached out to Tamar to confirm your acceptance of service and has received no response.

Please let me know if you plan to no longer accept service on behalf of Mr. Wallace.

Take care,
Laura
